El Formosa - Taiwan Scenery Project Part 7

綠島航空站
Lyudao Airport

綠島航空站
Lyudao Airport

1. Introduction

Green Island airport (RCGI) is one of the island airports in the eastern Taiwan. Lyudao island rises from the Pacific Ocean with 16.2 square-km area just 18NM east of Taitung. Equipped with a three thousand feet runway, Green Island (Lyudao) airport plays a key role in communicating with Taiwan. Daily flights between Taitung (RCFN) and Green Island make it easy to access this oceanic playground. With Gmax technology, this package provides small but high quality Lyudao airport. Hope you enjoy it! Require El Formosa Part1.

2. Features

----

1.   For FS2004 Only.

2.   Whole new GMAX Green Island Airport (RCGI), including the special terminal, trucks, parking lots, police office building, AFCAD and more. All based on real situation and layout.

3.   Add GMAX Lyudao Light Tower precisely located on the island.

3. Installation

----

1.   Before installation, please make sure you have correctly installed Taiwan Scenery Part1 previously. This scenery does NOT compatible with default ones. Please download it from AVSIM. (File name is el_formosa_part1.zip)

2.   There are two folders in the zip file. Put these folders to any place you like. Copy and paste the file in the "Replacement" folder into FS9/scenery/asia/scenery folder. Be sure to backup this file first.

3.   Install RCGI in normal procedure:
     a.   Unzip RCGI folder to where you usually install your scenery.
     b.   Add this folder to scenery library in FS scenery setting.
     c.   Restart FS9

4. DONE!!

4. Tour Guide

    RCGI is a VFR only airport. All commercial flights take off from Fengnin Airport (RCFN). Airlines use such small size commuter as Do228 for these routes. Flight time, usually, takes about fifteen minutes between RCFN and RCGI. It is easily to find Lyudao Island after departing RCFN under good weather condition, or you can use VOR GID for instrument guide to the airport. Have fun!!

5. Legal

    This scenery is a freeware for all Flight Simmers. We do not give our permission to anybody to sell this package or any part thereof or to upload it to any other server, including that charges for downloads or to include it on any media that is sold.

    We will NOT take any responsibility for potential damage or loss to any user's computer or other property as a result of the usage of this scenery.
